New Home Learning and COVID – 19 Information Page

Please note there is a new tab, on the left hand side of our website homepage page, named '**Home Learning**'.

Home learning projects for your child's class will be available via this link each week. These projects will initially be emailed to parents and carers on a Monday morning during term time.

Furthermore, SEND website links have been created to support children with additional needs in addition to other resources e.g. The Body Coach – daily live exercise at 9.00am with Joe Wicks.

There is also a section which allows direct access to up to the minute advice from the government and Public Health England.

Once again, thank you for your continued support and patience during this uncertain time.

God bless you all,

Mrs C. Dickinson
Head Teacher
