<p>Tuesday:</p> <ul style="list-style-type: none"> Practice some of the Year 5/6 common exception words. Write the words within a sentence. Complete the spelling activities on Education City. Log in to Education City. Click on 'homework.' Click on 'Year 6 Spelling.' Complete Spelling Stallions 2. 	<p>Tuesday:</p> <ul style="list-style-type: none"> Download the English Home Learning Pack for Week 1 from Hamilton Trust. Open 'Day 2 Harry Potter.' Follow the instructions in the pack.
<p>Wednesday:</p> <ul style="list-style-type: none"> Practice some of the Year 5/6 common exception words. Write the words within a sentence. Complete the spelling activities on Education City. Log in to Education City. Click on 'homework.' Click on 'Year 6 Spelling.' Complete Saddle Up 1. 	<p>Wednesday:</p> <ul style="list-style-type: none"> Download the English Home Learning Pack for Week 1 from Hamilton Trust. Open 'Day 3 Harry Potter.' Follow the instructions in the pack.
<p>Thursday:</p> <ul style="list-style-type: none"> Practice some of the Year 5/6 common exception words. Write the words within a sentence. Complete the spelling activities on Education City. Log in to Education City. Click on 'homework.' Click on 'Year 6 Spelling.' Complete Aim High 1. 	<p>Thursday:</p> <ul style="list-style-type: none"> Download the English Home Learning Pack for Week 1 from Hamilton Trust. Open 'Day 4 Harry Potter.' Follow the instructions in the pack.
<p>Friday:</p> <ul style="list-style-type: none"> Practice some of the Year 5/6 common exception words. Write the words within a sentence. Complete the spelling activities on Education City. Log in to Education City. Click on 'homework.' Click on 'Year 6 Spelling.' Complete Novel Approach. 	<p>Friday:</p> <ul style="list-style-type: none"> Download the English Home Learning Pack for Week 1 from Hamilton Trust. Open 'Day 5 Harry Potter.' Follow the instructions in the pack. For the writing task 'The mirror of Erised' you could write about a character from a different book or a famous person; it doesn't have to be a character from Harry Potter.

Learning Project – To be completed throughout the week

The project this week aims to provide opportunities for you to gain a better understanding of your family. Learning may focus on how every family is different, what traditions your family has, discussing stories linked to your family etc.

Family Interviews

Choose family members to interview. These could be family members who live in your home or other family members. Write down some questions to ask them. Conduct your interviews and find out as much as possible about your family.

Family Art

Draw or paint a portrait of a family member.

Self Portrait

Create a picture of yourself. What materials could you use? Can you find different materials around the house to help? [Ideas to support](#).

Create a Card

Design a card for someone in your family. It can be a birthday card, thank you card or a card to tell someone how much you love them!

Family Tree

Look at photographs of your family members and discuss where they would go on a family tree. Have you met everyone? Is there anyone you could interview and find out more about?

Family Coat of Arms

Find out what a coat of arms is. Could you design a coat of arms for your family? What could go into the design? Think about the colours and shapes. Could they use cardboard to create a shield that the coat of arms could go on?

Family Booklet

Create an information booklet all about your family. Can you name the people in your family and write sentences about them? Who are they? What do you call them? Do they have a job or go to school? What do they like or dislike? Why are they special to you? Maybe you could get a photograph or draw each family member before you write about them.

Biography

After interviewing one of your family members, write a biography about their life so far.

Music from the Past

Your child can research music from the decade their parents, grandparents or other older family members were born. What were the most popular bands or singers during this time? Ask them to perform a song from this decade and create their very own dance routine. Encourage them to explain how they need to improve their performance in order to achieve their personal best.

Mapping Skills

Identify the countries or cities within the UK where their family members originate from or live. Children can then plot these on a map and then create a bar chart to show the number of family members who live/lived in each city/country.

Movement and Mindfulness

Share the <https://family.gonoodle.com/activities/milkshake> movement and mindfulness video with your family. Did you enjoy this? Which is your favourite treat in the video? Could you create a video of your own?

Additional learning resources for parents to engage with

[Daily live exercise sessions for children at 9am.](#)

Watch [Newsround](#) and find out what is happening in the world. What did you find out? Is there anything you need help understanding?

[Twinkl](#) – Brilliant educational resource used by many teachers. To access the resources on this website you must sign up using your own email address and use the offer code **UKTWINKLHELPS**.

[Times Tables Rock Stars](#)

[Free audio books](#)

Fantastic kids YouTube channels that encourage fun and engaging learning opportunities:

- [Crash Course Kids – Science](#)
- [Sci Show Kids – Science](#)
- [Science Max – Science](#)
- [GEOgraphy Focus - Geography](#)
- [National Geographic Kids – Geography](#)
- [Kids Learning Tube – General](#)
- [Homeschool Hideout – List of YouTube pages for art tutorials and lessons](#)

There is some information and ideas [here](#) for parents. For example, there is advice about how to help the children structure their day plus ideas for activities that can be done without using the internet.
